

ULTRAPARK

DEVELOPMENT GROUP

WE ARE

EXPERIENCE

First to develop service-oriented facilities in Costa Rica. Experts housing the most demanding companies worldwide.

33 Years of Experience

MASTERY

200.000 leasable square meters developed in 4 locations always evolving to comply with the industry.

OWNERSHIP

Projects 100% developed, **operated and owned** by us to keep decisions in our hands.

COMMUNITY

Our idea of business is based on the criteria of developing and

give back to the community.

SERVICE

Client's needs is what we care the most. **Customer service and satisfaction** is in our DNA.

Our Commitment

... educational program for 135 young people living in 2 vulnerable areas: Guarari and La Carpio

... of which 75% women

... with the aspiration that they access higher paying positions in companies of the 4th industrial revolution

... each student get support with mentors, specialized teachers and equipment (computers)

...1.470 educational hours
